## DETAILS

**Full Names:** Rubin Kumantha Njagi

**Nationality:** Kenyan

**DOB:** 1<sup>st</sup>/SEPT / 1986

**Education:** BSc. Information Tech (2011),  
Rails Specialization - John Hopkins  
University (June 2016 – currently, Online,  
Part-time)

# RUBIN NJAGI

## WORK EXPERIENCE

### **Blockchain Engineer | Give Foundation | June 2018- currently**

I work part-time as a blockchain/backend engineer for a blockchain startup teaching kids how to make payments and interact with DAPPS. I develop, test, optimize and deploy contracts to the Ethereum network.

### **Full-Stack Developer | Solution Science Tech | 2013- Currently**

Design and implement both client and server-side features in Web applications, consuming web APIs using Angular, Ruby on Rails, or Vue.JS Frameworks.

## EDUCATION

### **Rails Specialization | John Hopkins University | June 2016 - currently**

This Specialization covers the fundamentals of web development with Ruby on Rails. It covers:

- Ruby on Rails, SQL and NoSQL databases
- HTML/CSS, and JavaScript.
- Security, services using HTTP/RESTful access
- Mongo Db. & Active Record.
- Angular js.

### **BSc. Information Tech | Strathmore University | Nov 2007- Aug 2011**

This course encompasses areas of computer science, information systems, software development, database administration and networking.

## CERTIFICATIONS:

**Server-side Development with NodeJS-** The Hong Kong University of Science and Technology

**Front-End JavaScript Frameworks: Angular-** The Hong Kong University of Science and Technology.

**HTML, CSS, and JavaScript for Web Developers-** Johns Hopkins University.

**Ruby on Rails: An Introduction-** Johns Hopkins University

## MOTIVATION

Having been born and raised in a developing country Kenya, in East Africa. I have witnessed the power information technology has to develop simple solutions to complex financial, technical and social challenges. I have dedicated my life to learning and developing elegant solutions that can fast track the improvement of living conditions in such countries.
